Professional Summary

Motivated MERN Stack Developer with hands-on experience in designing and developing a Full-Stack E-Commerce Website using MongoDB, Express.js, React.js, and Node.js. Skilled in creating scalable backend APIs, secure authentication systems, and responsive, user-friendly interfaces. Proficient in modern web development tools and technologies, with a strong focus on performance, accessibility, and scalability. Seeking to contribute expertise in a collaborative environment to deliver impactful and innovative web solutions.

Education

Bachelor in Computer Applications (BCA)

MGSU University, Bikaner, Rajasthan | 2021–2024 | 77%

Technical Skills

Frontend: HTML5, CSS3, JavaScript, React.js, Next.js, Tailwind CSS

Backend: Node.js, Express.js, MongoDB

Tools & Other: Git, RESTful APIs, Testing (Postman), Razorpay Integration, JWT Authentication

Soft Skills:

- Communication
- Problem-Solving
- Critical Thinking

Projects

Full Stack Project: IShop Ecommerce Platform

- Designed and developed a full-featured e-commerce platform for managing 500+ products and user orders.
- Created a responsive, customer-friendly UI using React.js and Tailwind CSS, ensuring cross-device compatibility.
- Built scalable backend APIs using Node.js and Express.js for product management, user authentication, and order processing.
- Integrated MongoDB to handle user profiles, order history, and inventory efficiently.
- Implemented JWT-based authentication for secure user login and registration.
- Integrated Razorpay Payment Gateway for real-time payment processing and seamless transactions.

- Deployed the application (frontend on Netlify and backend on Heroku) to ensure scalability and high availability.
- Tested APIs and application workflows thoroughly using Postman for debugging and performance optimization.

Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, Tailwind CSS, Razorpay API

Other Projects :- ShopEasy (E-Commerce Website)

- A responsive e-commerce site built with HTML, CSS, Bootstrap, JavaScript, React and Media Queries, optimized for all devices.
-

Certifications

- **MERN Stack Web Development – WsCube Tech (2025)**
Covered React.js, Next.js, Node.js, MongoDB, Express.js, and full-stack deployment strategies.
-

Training-cum & internship Program

- **Full Stack Development Mentee – WsCube Tech, Jaipur**

Completed an internship cum training in full-stack development, focusing on the MERN stack with on experience in building scalable web applications.

Interests & Hobbies

- Exploring web technologies, solving coding challenges, and learning more.
- Enjoy playing cricket and watching movies and web series.
